Public Transport

By Rail. Use Ascot (3km from Contemporary) or Virginia Water (6km) stations, which are on the main line from London Waterloo to Reading. There are two trains per hour in each direction on weekdays, one per hour on Sundays. Trains to Aldershot & Guildford also serve Ascot station. There is a taxi service at both Ascot and Virginia Water stations. Sunningdale Station (1.5km) can also be used but does not have taxi facilities.

By Air. Although Silwood is only a few kilometers from London Heathrow, there is no direct public transport from the Airport. Taxis from Heathrow are very expensive. There is a limited bus service from Heathrow Central Bus Station which stops in Ascot High Street about 2.5 km from Silwood. There are taxis available at Ascot railway station.
